

# 10 Easter Egg Scavenger Hunt Clues

<p>Clue 1</p> <p>I know how smart you are So you'll find this with eggs-treme ease The first prize you need to find Is where we keep the keys</p>	<p>Clue 6</p> <p>I should have made these clues harder Made them more compl-eggs The next one's also hidden underneath something This time something that has four legs</p>
<p>Clue 2</p> <p>Now that you've cracked that one It's time to find one more The second egg can be found In a kitchen drawer</p>	<p>Clue 7</p> <p>That last clue was a little over-easy So it's time to give you the next one You'll have to find this one quickly though Before it melts out in the sun</p>
<p>Clue 3</p> <p>Wow, you found that quickly You've already got this scavenger hunt beaten The next Easter egg can be found In what cooks eggs before they're eaten</p>	<p>Clue 8</p> <p>You haven't chickened out When it comes to solving these Your next item can be found Chilling out next to the peas</p>
<p>Clue 4</p> <p>So you've found three eggs already Now here's your next clue Unscramble the next sentence: It's to you something like behind view</p>	<p>Clue 9</p> <p>I hope you're having an eggs-traordinary time Despite me making you think The ninth one that you need to find Is sitting in a sink</p>
<p>Clue 5</p> <p>Are you feeling eggs-cessively tired? Do you need to rest your head? Then go and take a look upstairs Your next clue is underneath a bed</p>	<p>Clue 10</p> <p>Omelet you finish this scavenger hunt now With just one final clue Your last egg's somewhere in the room Where you brush what you use to chew</p>
