

Geometry Scavenger Hunt Worksheet

Below is a list of different geometric shapes. Try to think of objects for each of these shapes that you might see in everyday life and note these down in the right hand column.

Once you've thought of examples, go online and find a picture for each of them. Copy and paste the pictures into a document and label each picture with the name of the shape.

Shapes	Everyday Object
Circle	
Triangle	
Square	
Rectangle	
Diamond	
Pentagon	
Hexagon	
Octagon	
Trapezoid	
Quadrilateral with each side being a different length	
Sphere	
Pyramid	
Cube	
Cylinder	
Cone
