

Chemistry Scavenger Hunt Worksheet

Find the symbols for each of the elements on the periodic table and write them down in the same order in the right-hand column.

The symbols will then spell out words that all have a similar theme.

Elements	Word
Praseodymium, aluminum, iodine, neon	
Holmium, neon, yttrium	
Sulfur, tellurium, tungsten	
Oxygen, nickel, oxygen, nitrogen	
Radium, iodine, silicon, nitrogen, sulfur	
Yttrium, americium, sulfur	
Oxygen, lithium, vanadium, einsteinium	
Helium, rubidium, sulfur	
Tin, iodine, carbon, potassium, erbium, sulfur	
Phosphorus, arsenic, tantalum
